—Don't pay until July 31, 2015*

Secure your network today with help from the Barracuda K-12 Budget Alignment Program.

IT Solutions Designed for K-12 Organizations

Barracuda delivers simple, easy-to-use, affordable solutions that make it easy to regulate and monitor student and staff online activity, with tools designed specifically to meet the needs of K-12 organizations.

- **Granular policy enforcement**
to regulate access to applications and websites
- **Remote and mobile content security**
for off-campus devices
- **Get complete user-visibility** with
up-to-date views and alerts of network activity
- **Control and regulate web usage**
to accommodate growing bandwidth needs
- **Complete backup and message archiving**
for cost savings and storage management
- **Predictable, all-inclusive pricing**
with no per-user or per-feature fees

Protecting students and data can't wait— but paying for it can.

Discover how the Barracuda K-12 Budget Alignment Program makes it easy to solve your toughest IT challenges, with special pricing and extended payment terms for qualified educational organizations.
